

## Price list and order form (USA Consumer). Issued April 2015 (updated June 2016)

*Whilst every effort is made to maintain prices we reserve the right to alter them at any time if circumstances change.*

### Prices are including postage and in UK pounds.

**Payment:** by credit or debit card (Visa and MasterCard only). Please provide your card number, expiry date and security number. Credit card orders can ONLY be taken by phone or through E-mail, and NOT online as this is set up for UK customers only. We do NOT accept Paypal or Western Union Transfers.

**Despatch:** Parcels go by Air Mail which takes between 7 and 14 working days and are delivered by your local postal service. These parcels may be inspected by your customs, agriculture or quarantine services. Any expenses occurred by this will be to your account. Orders received before 2.00 pm (UK Time) are normally despatched that day.

**Ordering:** Orders from outside the UK can be made by e-mail or phone, not online as this is set up for UK orders. We must have name, address, product and pack size, quantity, price, value of order and payment. For credit cards we need to know the card holders name, the credit card number, the expiry date and three digit security number.

If you would like to phone your order through our office hours are from 8.45 am to 5.15 pm Monday to Friday UK time.

Please send your order to:

Product	Description	Pack size	Price	Number ordered	Value
Cool, Calm & Collected Mag Free (Starter and Maintenance)	Magnesium FREE version of Cool, Calm & Collected for horses that don't tolerate magnesium well. This product is appropriate for horses feeding supplemented pellets or sweet feeds which normally provide plenty of, or often too much, magnesium already. Contains our VCAL Food for the Brain ingredients. However well your horse responds to early loading please complete the full 4-5 week loading process before dropping to maintenance levels. Contact EquiFeast if you are unsure which product to use.	1.8 kg	£55.00		
Cool, Calm & Collected Mid Mag Follow On Pack	Supplement to help horses remain calm and to improve schooling, competition and hacking. Contains our VCAL Food for the Brain ingredients. Use this version of Cool, Calm & Collected if your horse is primarily eating pasture, hay and other unsupplemented forages. Do not use if there is a lot of supplemented feed in the diet - use the magnesium Free version instead. Contact EquiFeast if you are unsure which product to use.	1.8 kg	£55.00		
MagTUNE	We use this product for the small number of horses that need more magnesium than most. It can be used with any of our products that contain our VCAL Food for the Brain ingredients. We normally suggest you talk to us or email before using this product.	400g	£16.50		
		1000g	£35.95		
OptiMax	We use this product for the small number of horses that need more tryptophan than most. It can be used with any of our products that contain our VCAL Food for the Brain ingredients. This product is usually used for two days before and on the day of high stress competitions or lessons. We normally suggest to talk to us or email before using this product.	180g pot	£32.25		
		600g pail	£82.75		
Ultimate	For horses with chronic digestive problems. Ultimate contains antacids, live yeast and live bacterial probiotics combined with herbal prebiotics.	1.8 kg	£39.00
